JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

Falls in this State, making a total of 4 cases. The persons sick are members of the family of Adolph Provost, from whom the disease was probably contracted. One death has resulted.

Respectfully,

GARDNER T. SWARTS,
Secretary State Board of Health.

Smallpox in Richmond, Va.

RICHMOND, VA., *January 7, 1901.*

SIR: I have the honor to report 4 cases of smallpox in the retreat for the sick—2 nurses and 2 patients. No one is admitted nor allowed to leave. The building is now quarantined by the authority of the board of health of the city of Richmond. Every effort is being made to stamp out the disease.

I report the above under paragraph 693, Regulations of United States Marine Hospital Service.

Respectfully,

LEE M. STATON,
Acting Assistant Surgeon, U. S. M. H. S.

Arrival at Baltimore of vessels from West Indian and South American ports.

BALTIMORE, MD., *January 12, 1901.*

SIR: I have to report the arrival of the following vessels from the ports named, for the week ended January 12, 1901:

January 7, American schooner *Edward J. Berwind*, from Santiago de Cuba, ore; American barkentine *Josephine*, from Rio de Janeiro, coffee. January 12, American schooner *Chas. L. Davenport*, from Santiago de Cuba, ore.

Respectfully,

WM. F. STONE,
Collector.
